One AMS MASTER Card

Together,
we MASTER the art of creating a great working environment at AMS!

Minds are open

You know how to give and receive feedback in a clear, open and appreciative way. Keeping an open mind, you think in solutions, not in problems.

Aware of AMS and yourself

You are aware of the direction the organization is taking & of the goals we aim to achieve together. You are in the driver's seat of your career at AMS and are eager to develop yourself, taking on roles that make use of your talents and competencies in line with your professional ambitions.

Societally Conscious

You show commitment towards people, planet, prosperity, peace & partnership in all your undertakings. Together we strive to realize the Sustainable Development Goals (SDGs).

Team-Oriented

You create and are part of an open and warm working environment, where we have fun and celebrate successes together. Every action you take on an individual or team level is feeding our 'One AMS Spirit'.

Entrepreneurial

With your entrepreneurial mindset, you take ownership to contribute to the sustainable development and growth of this beautiful organization.

Related to the world

In our open and international environment, you respect other cultures and different opinions. You proactively reach out to the world around you, creating an impact on the ecosystems around AMS. You will impact the world!
