

## Career report

# Master in Finance

### About this career report

You can find AMS alumni worldwide!

In this report, you'll see a list of the full-time master's alumni of the Finance program from the past seven years. Due to GDPR compliance, names cannot be mentioned, but we can share their year of graduation, their first employer and job title, and the country where they initially started to work. Please keep in mind this also means the professional information of these alumni refers to their first job, not necessarily to their current professional activity.
